1 of 1 review helpful Excellent Reference By Silver Wolf This is exactly what I needed as a reference book Keep in mind this is a reference book of various goddesses and not mythology although mythological goddesses and heroines are included in it It doesn't cover every goddess there ever was but it does do a fair job It also cross references goddesses and heroines who may be known by different names 0 of 0 review More Than 1 000 Goddesses and Heroines from around the WorldGroundbreaking scholar Patricia Monaghan spent her life researching writing about

and documenting goddesses and heroines from all religions and all corners of the globe Her work demonstrated that from the beginning of recorded history goddesses reigned alongside their male counterparts as figures of inspiration and awe Drawing on anthropology folklore literature and psychology From Booklist Previously published as a two volume set in 2009 this revised paperback edition contains more than 1 000 entries on goddesses and heroines from around the world The material is divided into geograp
