1 of 1 review helpful A bit repetitious at times By \_Customer The Haunted Alabama Battlefields Haunted America book by author Dale Langella can be a bit repetitious at times as some of the stories tended to repeat themselves a bit or portions of the same story seemed to be repeated later What made the book truly worthwhile was the history shared about a particular battle or location Along with the history was the ghost st Alabama is no stranger to the battles and blood of the Civil War and nearly every eligible person in the state participated in some fashion Some of those citizen soldiers may linger still on hallowed ground throughout the state War torn locations such as Fort Blakely National Park Crooked Creek Bridgeport and Old State Bank have chilling stories of hauntings never before published In Cahawba Colonel C C Pegue s ghost has been heard holding conversations near his About the Author Dale Langella moved to Alabama in her twenties and has had a passion for the state s military history and battlefields ever since She is the founder and lead investigator of the Alabama Paranormal Association
