By Jack Larter : Tuberous Begonias: An Essential Guide the hardcover of the tuberous begonias an essential guide by jack larter at barnes and noble free shipping on 25 or more tuberous begonias are sensational flowers their abundant blooms capture everyones heart and eye this authoritative guide introduces the best varieties and Tuberous Begonias: An Essential Guide:

4 of 4 review helpful Beautiful and very informative for the competitive grower By Anne J Ryan This is a lovely book with lots of good information I was not aware that it was geared toward competition but for someone who wants to do that it is I am sure a treasure trove I am not particularly interested in that aspect of growing and it might be good for

perspective buyers to be aware of that but there is so little in Tuberous begonias are sensational flowers mdash their abundant blooms capture everyone s heart and eye This authoritative guide introduces the best varieties and celebrates the great range of colors grown Written by Jack Larter who has devoted many years of love and toil to the plants it covers everything that both novice and veteran need to know to grow blooms for the home garden and show bench
