of the unconscious Dictionary of Symbols (Language of the Unconscious):

2 of 2 review helpful Dictionary of symbols By Ms Ag Enjoyed the book Had a lot more formation than I expected Was really fascinating to read all the surprising tid bits 2 of 4 review helpful great By Shona Paterson I ve been searching for this book for a while now I m so happy to have found it at last well worth the money for the meaning of symbols with reg The author draws from the collective wisdom of the great psychologists particularly Jung to create a guide to the language of symbols Just as we dream without being necessarily aware of our dreams so our waking life is full of symbolism operating on an unconscious level This book describes the major characteristics that recur in all symbolic material By identifying them readers may identify patterns and processes at work in their own minds and in doing so learn t From the Publisher A handy reference on how to interpret symbols in dreams myth and everyday life
