for growing in the wild Marijuana Outdoors : Guerilla Growing:

0 of 0 review helpful Meh By rick sparks A lot of good info but you have to search it out and write it down The book is very badly organized Frankly it reads like the author was stoned That may be good for a laugh but it would be great if someone with a better brain for organizing info re worked this manuscript 0 of 0 review helpful Sweet Home Nanavon By nanavon58 The author traveled throughout North America Europe Great Britain and Australia to learn how growers harvest the best bud in the world Instructions and examples from actual growers combined with basic cultivation techniques makes this a valuable grow guide The detail and complete step by step instructions and pictured examples were invaluable in getting me started an anonymous Swiss grower About the Author Cervantes is a world renown expert on indoor outdoor
