2 of 2 review helpful Basically a list of plants deer are less fond of By graydmk Every year the deer mistake my flower

beds as an all you can eat salad buffet Every year I pretend I can persuade them to dine elsewhere with an expensive arsenal of products and tactics They are persistent and very sneaky I had hoped this book would provide new and untried wisdom for which I might gain an advantage It did not It barely r Deer you love them or you hate them but no matter what deer have an appetite for delicious plants we plant in our garden and around our home You ve seen the residue in the morning spiked hostas chomped impatiens mangled hydrangea How can an animal that cute be so hungry Fences and sprays and dogs just don t go far enough and most people stop short of venison surprise for dinner
