8 of 10 review helpful For students of Liber Al Legis ONLY By Walter Five This nifty little book is a complete concordance of Crowley s Liber Al Vel Legis listing in alphabetical order every word and where it was used by chapter verse and page It will be of great interest to serious students of Thelema and of little interest to anyone else It assumes that one is already familiar with and owns a copy of The Book O This is the complete A Z concordance to the currently in print version of Crowley s The Book of the Law Easy to use A great reference piece
