By Max Cryer : Superstitions: And why we have them very superstitious everything about superstitions and why

we have them why is catching the bridal bouquet good luck should we really be fearful of the number 13 a lively and informative a to z of some of the superstitions and customs we commonly observe and why we practise them
Superstitions: And why we have them:

0 of 0 review helpful A bit of a misnomer By OpenBookSociety dot com Brought to you by OBS reviewer KaytSuperstitions and Why We Have Them is to me a bit of a misnomer Author Max Cryer speaks of superstitions when to me and to many definitions some of them are actually customs and have a basis in a real reasoning Whereas superstition is more often than not based on no factual information I think this thre Some people casually say touch wood when they speak of something they hope will happen Others won t allow peacock feathers into the house And almost anyone who finds a four leafed clover will treasure it and keep it Why Some superstitions are so ancient and have been practised for so long that they have come to be regarded as just harmless and widely observed customs without people realising they are basically superstitions For instance many people wouldn t I did enjoy this book and learned so much It can be fun at times as well I would recommend Superstitions and Why We Have Them to anyone interested in where these things come from Open Book Society
