By Louisa Jones : Gardens in Provence the gardens of provence alpes cte dazur is a list and description of the parks and gardens in the region which are classified by the committee of parks and gardens 24061992nbsp;gardens in provence has 12 ratings and 1 review jones who lives in provence spent five years visiting some 200 gardens to produce this text which comb Gardens in Provence:

0 of 0 review helpful the images are not always the sharpest and the color is not particulargood either By Charles Martell I just received this book i have only skimmed the writing but it looks interesting So if you want to buy a book

on provence gardens to read then this may suffice however if you wish to view photographs perhaps look somewhere else most of the pictures are small and all of the pictures are too small. Ever since the nineteenth century Provence has fascinated its numerous visitors. The heart of Provence, the lower Rhone valley, offers an incomparable range of sites: Roman ruins, winding Renaissance hill towns, and labyrinthine grottoes dominated by lofty peaks. Yet the gardens of Provence have remained as secret as the region itself. Gardens in Provence takes its readers on a fascinating private tour of some of the loveliest hidden treasures in the south. About the Author: Photographer Vincent Motte lives in Provence. His remarkable photographs have appeared in numerous gardening magazines and books, including Gardens of the French Riviera.
