By Willy, Vander, Fisher : The illustrated encyclopedia of sex the illustrated second volume of the encyclopedia of sexual knowledge with revisions and additions find best value and selection for your the illustrated encyclopedia of sex 1950 search on ebay worlds leading marketplace The illustrated encyclopedia of sex:

0 of 0 review helpful I was always curious about the book that I knew By Jan Dalske I was always curious about the book that I knew my parents kept locked up in my mother s cedar chest So when I saw this book online naturally I had to order it This was what they kept hidden from their children Now I know why their knowledge of sex was so limited This was what they read and all that they knew about This is a ground breaking book and deserves a bit more description such as This is one of the first works of it kind because it discusses sex in a professional manner and as such the information is interesting in what the medical community has discovered since Written in 1950 and republished here in 1960 this book discusses what was considered important discoveries at the time Prior to this time sex was rarely discussed professionally and just as rarely studied
