**By DK Publishing : American Horticultural Society Great Plant Guide** american horticultural society great plant guide has 14 ratings and reviews designed to help gardeners choose plants in two different ways the ahs g download and read american horticultural society great plant guide american horticultural society great plant guide preparing the American Horticultural Society Great Plant Guide:

1 of 1 review helpful a nice compact reference book By Robert Fately This guide is pretty nice at 6 x 4 1 2 x 2 it s almost half a cube of paper Be warned the print is fairly small as it would have to be to fit in such a small book I bought this guide to help me identify flora that I take using macro photographic equipment and it has proven to be helpful Of course the inherent problem is that when I tr Designed to help gardeners choose plants in two different

ways the AHS Great Plant Guide features color photos A Z and planting guides and cold hardiness and heat zone maps Over 1 000 plants have full entries full color photographs and details that tell you what type of plant it is how it grows what its ornamental features are where it grows and looks best and how to care for it A special section on popular annuals and bedding plants has been added to t com All new gardeners need a basic plant encyclopedia as one of their first reference books This pocket size guide is just that a great source for identifying and caring for plants from anemones to yuccas Close up color photos will aid any gardener attempt
